The Konkani Charitable Fund has completed its first year of operation. The support from the community is over whelming. The donations have exceeded \$75K and the grants made have exceeded \$50 K. The recipients of grants include the funds for senior center operations, helping the physically challenged children, scholarship for graduate studies and for work training for women in rural areas. With your support we plan to continue our efforts in 2011. Our web page will be up and running in a month's time. We have approved several charities for receiving donations through us. Contact Ramesh Kamath at karkalmam@yahoo.com to get the list of charities and to know more about KCF.

Please note there is no overhead expense for this fund. We will pass through your donation in entirety. We will also acknowledge you as the source of donation. This is a noble cause and the board members of KCF are pleased to offer this service to the community. If you want to donate funds (tax deductible) please fill in the following info and mail it to the address noted.

Thanks again for your support
